MRS. CECILIA STOWE,
Grater, Bitter Root, Utah.

173 Warren Avenue,
Cincinnati, Ohio, Oct. 23, 1902.
For nearly four years I suffered
from ovarian troubles. The doctor
insisted on an operation as the
only way to get well. I, however,
strongly objected to an operation.
My husband felt disheartened as
well as I, for home with a sick
woman is a desolate place at
best. A friendly druggist advised
him to get a bottle of Wine of
Cardui for me to try, and he did so.
I began to improve in a few days and
my recovery was very rapid. With-
in eighteen weeks I was another
being.

Cecelia Stowe

Mrs. Stowe's letter shows every
woman how a home is added by
female weakness and how completely
Wine of Cardui cures that sick-
ness and brings health and happi-
ness again. Do not go on suffer-
ing. Go to your druggist today
and secure a \$1.00 bottle of Wine
of Cardui.

**Supt. Hardaway Got Three Sacks Of
Government Pamphlets.**

County Supt. Hardaway wrote to Con-
gressman Benton recently that he would
like to have samples of as many of the
agriculture department's free circulars
as he could get which would likely be of
great use in the schools and of use in con-
junction with text books. He intended
to make it plain that he only wanted one
copy each of several different pamphlets.
These he would inspect and order
additional copies of as such as he could
use in school work.

Congressman Benton evidently under-
stood, however, that our superintendent
wanted to secure as much free literature
as he could get without any qualifica-
tions whatever, and acted accordingly.
Supt. Hardaway got a card yesterday
stating that the matter had arrived. He
presented himself at the postoffice win-
dow with his card expecting to get a
bundle he could tuck under his arm.
Instead there were three mail sacks full
of it and a dray had to be employed to
haul it away. A table at the superinten-
dent's office is piled high with it, and he
will thank it interested farmers who
will call and take copies of what will be
of use to them. There are interesting
treatises on a great variety of agricul-
tural topics.—Press.

WARNING SENT OUT.

**Rural School Directors Must Watch
For Library Frauds.**

State Superintendent of the Public
Schools W. T. Carrington, is sending out
a notice, in which he cautions school
directors against library frauds, many of
which have been perpetrated and
others prevented.

The notice is a timely one, Mr. Carrington
says.

"Now is the time of year for school
directors to look out for school library
and school supply frauds.
The majority of school directors, other than
those of the larger towns, are not ade-
quately informed of the many library
frauds which are being perpetrated.
Any person who represents himself as
a school director, and who is not known
to the school board, should be treated
with suspicion."

**Don't Let a Ten Penny Nail Through
Your Hand.**

While signing a box, J. C. Mount, of
Three Mile Bay, N. Y., ran a ten penny
nail through the fleshy part of his hand.
"I thought once of all the pain and
suffering that would cause me," he says,
"and immediately applied Chamberlain's
Pain Balm, and considerably afterwards,
to my surprise it removed all pain and
swelling and the injured parts were soon
healed." For sale by Webb Bros.

Drill Hole Located.

The Golden City Oil and Gas Co have
located their first hole. The place they
have selected is 1 1/2 miles northeast of
Golden City very close to the line be-
tween Barton and Dade counties in a
basin between Kyle creek and Muddy
Fork. The valley between the two
streams is about a half mile wide here
and is thought by oil experts to be the
main oil trough. The derrick is being
erected and the drilling will begin in a
few days.

He Learned A Great Truth.

It is said of John Wesley that he once
said to Mistress Wesley: "Why do you
tell that child the same thing over and
over?" "John Wesley, because once
telling is not enough." It is for this
same reason that you are told again
and again, that Chamberlain's Cough
Remedy cures colds and grip; that it
counteracts any tendency of these dis-
eases to result in pneumonia, and that it
is pleasant and safe to take. For sale by

SEEING THE FARMERS IN PERSON.

**Driving Over County In Interest Of
Coming Corn Show.**

Col. J. W. Dietrich drove out over
Union and part of Jackson townships
yesterday in the interest of the coming
corn show, to be held here Oct. 23. He
came back enthusiastic. He found
much good corn and wheat, and some
good oats, and got promises of many that
they would come to the show and bring
samples of their crops. He thinks there
will be a good turn out.

Today he went out north to Carytown
and then east. He stops every farmer
he meets on the road and knocks at
every farm house door he comes to, mak-
ing a personal appeal to all to the corn
show, hear the addresses and compete
for the prizes. He intends to do this
each day up to the time of the corn show
and if he had time enough would cover
the whole county.

He wishes all, however, not seen to
consider themselves personally invited
to come, as they would be so invited if
he had time to reach them all. The
general invitation already published over
and over ought to induce every farmer to
be here and do his part for the occasion.

Some Good Corn.

While the people of Barton county
are not overjoyed about the corn crop
this year, says the Lamar Democrat, dur-
ing the past two or three days, we have
seen some as fine specimens of the corn
king, from Barton county fields, as it has
been our fortune to see anywhere. Dodd
McLaughlin was exhibiting four ears of
white corn, on the streets, the other day,
that he got out of his field, down on his
farm, south of town. The ears averaged
over a foot long, the grains were large,
plump and well formed, sitting closely
together. Mr. McLaughlin said that he
had a whole field full just about like it.
Then, Saturday, Deputy Recorder Bassett
selected four fine yellow ears, from a lot
which his father, Than Bassett, had
brought to Captain Tucker. These ears
were not as large as the white specimens
that Mr. McLaughlin had, but they were
perfect in their formation, of extra size,
and sound as a dollar. Mr. Bassett has
50 acres just like these ears upon exhibi-
tion.

Confession Of A Priest.

Rev. J. S. Cox, of Wake, Ark writes:
"For 12 years I suffered from Yellow
Jaundice. I consulted a number of
physicians and tried all sorts of medicine
but got no relief. Then I began the use
of Electric Bitters and felt that I am
now cured of a disease that had me in its
grasp for 20 years." If you want a re-
liable medicine for Liver and Kidney
trouble, stomach disorder or general
debility, get Electric Bitters. It's
guaranteed by Webb Bros. Only 50c.

Easy Pill

Easy to take and easy to act is
that famous little pill DeWitt's
Little Early Risers. This is due to
the fact that they tonic the liver in-
stead of purging it. They never gripe
nor sicken, not even the most delicate
lady, and yet they are so certain in
results that no one who uses them is
disappointed. They cure torpid liver,
constipation, biliousness, jaundice,
headache, malaria and ward off pneu-
monia and fevers.
